is recorded to be 26 per month
In 1911 the Hakeem applied
for his allowance being
increased by a small amount
& also for being allowed a
servant to prepare medicines
representing that he was
treating 5 000 patients on
an average for the year &
put to the necessity of
meeting the cost of medicines
from his pay also. No action
was taken on his prayer.
The average stated by the
Hakeem is exaggerated.
It is ascertained that
many of our officials
do avail themselves
of his services. The Hakeem
has been dispensing medicines
at his place in Mandaram
Post, Bangalore city. It
is a point for consideration

10) I do not quite see his justification for

keeping the Headmen from the Secretariat for keeping a dispensary in his city. Simply because a few officers & menial servants of the Secretariat go & have to take medicines from him occasionally, I think that is no reason why he should be kept away from the Secretariat

11) In the first place the necessary for a Hakeem is not apparent - Esp when there is a Dispensary with a Hospl assistant in charge located in the Secretariat buildings.

12) Security if at all it is considered necessary to keep on the Hakeem. I think he should be ordered to have his Dispensary in the Public Office buildings & kept open during office hours so that it may be useful for the officials.

13) Please consult some of the old class of Officials & see whether such of them as patronize the Hakeem be put to much inconvenience if the hours were abolished or materially changed

His usefulness may be further availed by requiring him to come to the public offices every day between 3 + 5 p.m. and go round the branches & sections of the G.R.S to give an opportunity to a larger no of officials to avail themselves of his services. It would not be necessary to fix him to a certain place during those hours as firstly it would be difficult to find accommodation for him to locate his

24) The present arrangement may be continued. But, as proposed by the Registrar, the Hakim should attend office daily from 3 to 5 PM & herein keep a Register of the work done by him as regards the Secretariat staff paying visits, which the Registrar will inspect from time to time. After some time there will be reliable materials for judging the talent & usefulness derived from this arrangement.

25) As the line of treatment adopted by the Hakim is different from that usually followed by Hospital Asts or Asst Surgeons, he may be kept on.
